Hi Nancy –

I can meet anytime before 3:00 p.m. tomorrow. It could be a conference call. Our consultants can call in either before 9:00 a.m. or after about noon.

The reason for this call/meeting is to find out what we need to do to address the changes that the signatories are requesting; specifically the boundary adjustment for the Makalapa Navy Housing area. I am confused at what we need to do regarding this boundary. Pua left me a message that the boundary should be what is specified in the nomination papers; she told me to contact Ross Stephenson to find out what this was. Ross related that the SHPD files show the Makalapa and Little Makalapa Housing areas as two separate resources. He said that he would discuss this matter with Pua. I explained the situation to Pua and sent her the following email.

I just want to know what we need to do to get this issue resolved. Let me know if you would like to meet or if I should get a conference call in number.

Thanks.

Faith

Hi Pua –

Attached are the eligibility forms that were prepared by the Rapid Transit Division for Makalapa and Little Makalapa Housing areas and submitted to your office for review. I am also transmitting in another file, the correspondence regarding this issue. Please provide us direction as to which boundary we should use.

Thanks.

Faith

Faith, the attached forms and map are what SHPD concurred on for the eligibility determination. Because the districts have not been submitted for the register, this is the only acceptable Section 106 information that we have to work with.
